Payment may be made by Visa, MasterCard, cash or check.

### Are reservations required?

Reservations are recommended but not required. If you do not make a reservation, we request that you call and place your order at least 24 hours before you would like your stork delivered. Reservations may be made by calling and providing us with the baby's estimated due date, payment and delivery information. ### I'd like to order a stork for someone else.

#### How do I do this?

To order a stork for someone else, please call or email at least 24 hours before you would like the stork delivered. We will need to know the address for delivery, the new baby's name, weight, length and birth date. Upon request we will also deliver a free gift card with a personal message from you to the new parents.

### Where do you deliver?

We deliver, set up and remove your stork for free to Mchenry County and parts of Kane & Cook Counties. Please see our zip code list online or call to see if you qualify for free delivery. We still happily deliver outside of our free zip code zone for a small fee. Feel free to call or email if you have questions about our delivery area.

### Does someone need to be home for stork delivery?

No, we will setup your stork and leave a congratulations card\* at the home upon delivery.

### I am hosting an indoor event, can your storks be used indoors?

Yes, our storks are 7 feet tall and can easily be set up indoors and/or on other solid ground surfaces.
